View 1

This is a view of SLAA site 35/014 with SLAA site 35/005 up to and beyond the tree line. This site also currently lies outside the village boundary

View 2

This view is of site SLAA 35/008. This site is currently outside the village boundary and shows a fall to the rear of the site and a view to the tiny red brick chapel of 1911 in this hamlet along the former A10.

View 3

One of the oldest buildings in Colliers End showing a style of housing echoed throughout the hamlet.

View 4

Site 35/013 with a view towards site 35/007 (with the red annotation). This site continues behind the current housing to the right. The double tree line in the middle background denotes the new A10 bypass.

A view of St Marys Church

An example of older buildings in the hamlet

An example of a newer development style in the hamlet.
